Bible Name Dictionary

Bible Name: **Achbor**

Language: **Hebrew**

Pronunciation: **ak-bore'**

Meaning: The name 'Achbor' means 'Mouse.' It is derived from the Hebrew root word 'Akbar' meaning 'mouse' (as nibbling on something). This word is generally used to denote a 'state of uncleanness' (for the mouse is considered an unclean animal) or a 'state of attack.' The latter meaning is more probable in this instance. Why is that? This word is closely related to the Hebrew word 'Akkabiysh', a word used to denote a spider weaving a web for the sole purpose of entangling its unsuspecting victims.
