Bible Name Dictionary

Bible Name: **Cabul**

Language: **Hebrew**

Pronunciation: **kaw-bool'**

Name Type: **Place**

Meaning: The name 'Cabul' means 'To Bind Together.' It is derived from the Hebrew root word 'Kebel' meaning 'to twine or bind together'. The word is generally used to denote being bound in 'handcuffs' or 'fetters', so it definitely contains a negative connotation. It's as if the person who named the place felt as though it was a worthless location, but at that same time it was bound to him like a chain.
