Bible Name Dictionary

Bible Name: **Camon**

Language: **Hebrew**

Pronunciation: **kaw-mone'**

Name Type: **Place**

Meaning: The name 'Camon' means 'Standing Corn'. It is derived from the Hebrew root word 'Quwm' meaning 'to arise' or 'to stand up' (as corn naturally does during the harvest season). A number of scholars have suggested a possible alternative meaning for 'Camon' (as signifying a place of elevation) based upon the actual root meaning (as noted above), but it is also important to note that 'Camon' is synonymous with the word 'Qamah', a word denoting a 'stalk of grain' (as something that rises). As you might imagine, the place known as 'Camon' is a perfect name for a small town situated in the midst of an agricultural community known for its abundant crops of grain and corn.
