

Title: I'M COMING BACK HOME

I'm coming back home
To You, Lord...
I've been away for
Such a long, long time...

It took a loved one dying...
And days and months of crying...
For me to see
The way back to my home.

I'm coming back home
To You, Lord...
I did not see before
How Good it was...

The day I let go of Your Hand
I was too blind to understand...
That without You in my heart,
I had no home...

TO CHORUS:

I CAN'T WAIT
UNTIL I AM
AT THE DOORWAY
OF MY SAVIOUR!

KING! (2nd time)

SAVIOUR! (3rd time)

I TAKE ONE STEP
AT A TIME, EVERY DAY,
UP THE STAIRWAY
TO MY HEAVENLY HOME!

I'm coming back home
To You, Lord...
I thank You for
Always Being there...

You're my Father and my Mother,
My Sister and my Brother...
You're All I need, and I'm
On my way back home!

TO CHORUS:

I'M COMING BACK HOME! I'M COMING BACK HOME!
