## FAMILY RE-UNION

I have a Dear, Sweet Uncle,  
And Talked with Him Today...  
About a “**NAZARENE**”  
Who Leads our Walks and Way...

My Love for my “**GREAT**” Uncle,  
Includes Both Songs and Poems....  
Lives Given O’er to His JOY...  
On Both our Paths and Homes...

He Follows Spirit Higher than,  
Many Men I’ve Known...  
Along with my Two Sons and Mate...  
With Twin Daughters Who are Grown...

I Remember, Too, His Family...  
Eager, to Also Hear...

With so little Time in Day to Do...

Within Years Old, plus Now What's New!

His Wife, Dear Kindred Lady...

His Children and Their Fruit...

Thank **GOD** We're Given **PATIENCE**...

In Discovering Precious Root...

In Knowing Gifts Eternal...

Yet, missing fleshly youth...

A Graceful "**Art**" of **Balance**—

Like an eruptive Baby's Tooth!

Innocent Pure **LOVE**...

Sweet By 'n By...

Life, Here, Now, 'N After...

Only **GOD** Knows Why...!
