I remember a brown paper bag... my teddy bear... inside...

Crying on brown dirt... beside a stucco wall... I hide...

I check my old shoe box... right next to me... to see my dear friends... still alive...

Goober, Gomer... my two frogs, ... and my land turtle, ... at least... they're mine...

But... do they really belong to me? I don't have them anymore...

Yet... I have memory of all of them... and memory of them... is what I need...
