

Title: A PRODIGAL FAR FROM HOME

I hold You close to me...
You are my Everything...
I put You first in all I do...
In You, I have my being...

Without You, I am not...
I tried to live alone...
But now, I know what life is like...
As a prodigal far from home...

CHORUS:

A prodigal far from home...
All I had... Is now gone...
Without my Father guiding me...
I'd be a prodigal...
Far... from home...

This prodigal came home...
I'll never leave again...
Sweet Jesus came to find and bind me...
I turned away and was saved from sin...

I realize the Truth...
The Truth that set me free...
That life begins with You, Oh LORD,
And You... are all I want to be...

TO CHORUS:

If Jesus did not come and find me...
I'd still be...
A prodigal... far... from home...
