

Title: Song of Prayer

If we could only share
With the world,
A song of prayer...
To bring us all together,
Through God's Love
In our hearts...
If each of us could share
Our most precious pearls,
We would all fulfill
A Special part...

Song of Prayer,
Love's desire,
To commune with those
Who need Christ,
Holy Fire... To see
The path they've chose...
Oh, how we pray
For that Wonderful Day...
When the world will be free,
Singing Angel's Harmony...
Oh God, Hear this
Song of Prayer...

If we could only share
With the world,
A song of prayer...
And bring healing to those,
Who are feeling so alone...
We pray they will come to know
Jesus through their pain...
With Him, they'll see hope,
Rainbows shining
Through life's rain...
His Love will show them He is
Someone who cares...
Oh God, please hear this
Song of Prayer...

Oh My God, Hear this
Song of Prayer...
