

Title: TRUE PLACE

True Place...  
Sure heart's desire...  
Through Jesus,  
We find our soul on fire...

True Place...  
Is where... we're destined to be.  
Come, open your heart...  
Ask Him to be near...  
He's our True Place...  
True Place is Here!

True Place...  
God's Plan for man.  
In His Word,  
Search... 'til we understand...

True Place...  
Is where... He guides us... so we'll see.  
Jesus, the Christ,  
The Way to be free...  
He's our True Place...  
The Only Place to Be...

CHORUS:

To get there...  
We must be pure from our heart,  
Seeking Truth from the start,  
Jesus Is Key!

To get there...  
We must be humble, sincere,  
Faith found secure,  
In Grace... Is True Place...

True Place...  
Find your... True Place...
