

UNCEASING PRAYER, ETERNALLY

The ink is hot! The ink is cold...

We pray for each other, the young to the old...

I'll say a little prayer for you...

Please say a little prayer for me... UNCEASING PRAYER, ETERNALLY...

We pray for help... We pray for needs...

Let's pray for each other so fervently,

I'll say a little prayer for you...

Availing much as we PRAISE THEE! UNCEASING PRAYER, ETERNALLY...

The ONLY WAY... through this flesh...

Is HIS BEGOTTEN SON... real labored rest!

I'll say a little prayer for you...

Please say a little prayer for me... UNCEASING PRAYER, ETERNALLY...

The BIBLE (BOOK) is HOLY... from Beginning to End...

The OLD and the NEW sends in our BEST FRIEND...

ONLY you can choose to spend... time and prayer with HIM...

Anyone can depend on THEM... UNCEASING PRAYER, ETERNALLY...

We are HIS SHEEP... HE gathers in...

We are HIS FOLD that HE feeds, and HE tends...

Forever more... Who's keeping score?

Time to decide... nowhere to hide... UNCEASING PRAYER, ETERNALLY...

There is a RANSOM... HIS SON bought for us...

Hurry in... or go back to dust...

I'll say a little prayer for you...

Please say a little prayer for you... UNCEASING PRAYER, ETERNALLY...

The age of GRACE... for this human race...

Is almost over... it's fate or FAITH!

Could be ... the final mystery clue... Oh... what will each of us do?

I'll say a little prayer for me... Please say a little prayer for me... UNCEASING PRAYER, ETERNALLY...

The time is NOW... to do or not... Eternal Refuge... or royal rot!

We can agree... to disagree... but no longer, oops! ... or I just forgot!

It's time to vote... to account... repent... for HE spent...

HE PAID ... with HIS PRECIOUS LIFE ... for Each of Us... Such a PRICE!

UNCEASING PRAYER, ETERNALLY...

Before ... time runs out... beyond a shadow of doubt...

Comes THE MOSES SONG... Almighty and Strong...

It's never, never, never too long... We can sing it ... all day long...

The seas rage... for our new age... born again... for Millenium... UNCEASING PRAYER, ETERNALLY...

Face to face... Forever True... This song's for me... This song's for you...

What will we do with our free-will choice? With GRACE... I Give PRAISE! HALLELUJAH! REJOICE!

I'll Say a Little Prayer for you... Oh... PLEASE... Say a Little Prayer for me...

UNCEASING PRAYER... ETERNALLY! UNCEASING PRAYER... ETERNALLY!

UNCEASING PRAYER...ETERNALLY!
